# Morrow's Sewing & Vacuum Center

**Sew  
What's New**

**Winter/Spring  
2010**

Hi Sewers',  
HAPPY NEW YEAR!!!

We hope you all had a wonderful  
Holiday season!

Wow! Where does the time go!

We have a new collection of  
classes for your sewing enjoyment.  
Join a club or pay as you go.

Remember, club classes are a great  
way to learn new techniques &  
meet new people. Clubs are an  
inexpensive way to take classes,  
just pay the \$50 yearly member-  
ship fee for the club you are inter-  
ested in and then sign up for 1 or  
all the classes in that club with no  
additional class fees.

We have removed the serger club  
from this years schedule due to  
low memberships. However we  
have added 2 new free machine  
instruction classes, One for  
sergers & one for sewing ma-  
chines.

The projects are all listed in this  
newsletter, however you need to  
stop by and pick up the corre-  
sponding calendar or print it from  
our website to see the dates &  
times for your favorite classes.

If you are an email customer your  
calendar is included in your  
email.

Ed & I would like to thank all of

you for your support. 2009 was a  
tuff year for business everywhere.  
We are looking forward to 2010  
and an improving economy. We  
are very grateful for all of our loyal  
and wonderful customers.

Thank you so much, and God Bless  
you all.

Happy New Year!

Ed & Karen
